

### Description / name of special machine

Hydraulic unit – emergency operation - silent

### Function / job

Supplies external consumers

### Technical data

Dimensions (set)	706x1075x1411mm ( WxHxL)
Operating pressure - hydraulic	260 bar
Flow rate at 2.700 min <sup>-1</sup>	55 l/ min.
Useful capacity of hydr. oil tank	65 l
Drive at 2.700 min <sup>-1</sup>	9 kW – Diesel (four-cylinder)
Total weight	< 1250 kg without oil filling

### Special features

### Customer

LWE Liebherr Werk Ehingen

### Realization period / year

From January 2008

Ident No.  
503 6 842

Month / year  
06/2008
